

SUPERINTENDENT OF BANKS
ANNUAL REPORT

FISCAL YEAR ENDING
SEPTEMBER 30, 2006

STATE OF ALABAMA
STATE BANKING DEPARTMENT

Bob Riley
Governor

John D. Harrison
Superintendent of Banks

December 7, 2006

The Honorable Bob Riley
Governor of Alabama
Alabama State Capitol
Montgomery, Alabama 36130

Dear Governor Riley:

I submit to you our 2006 annual report to comply with the Code of Alabama 1975 § 5-2A-13.

I am pleased to report that Alabama state-chartered banks continue to exhibit strong management, well-capitalized balance sheets, and healthy growth. Total bank assets under our supervision grew nearly \$10 billion during this fiscal year. We still however, remain sensitive to the impact of continued bank mergers. This activity will undoubtedly change the overall U. S. banking environment and more specifically the Alabama banking landscape.

During this fiscal year, we chartered three new banks and one new trust company. In addition, we have continued to notice an ongoing and growing interest in Alabama investors to open more new banks. We continue to have great pride in the fact that the citizens of Alabama have not experienced a bank failure since 1987.

Our Bureau of Loans staff continues to actively regulate the non-deposit lending industry. Those licensees include consumer credit, pawnshops, small loan companies, deferred presentment services (payday lenders), and many mortgage brokers operating in Alabama. This Bureau now regulates over 4,000 licensees including 1,177 Deferred Presentment and 502 Mortgage Broker units.

Governor, our field examiners and office staff continue to work efficiently and diligently to protect our citizens. We continue to maintain a solid working relationship with both our Federal and host-state banking regulators. We repeat our thanks to both our traveling field examiners and office staff for their resolve and commitment in protecting the citizens of our state as well as the other 18 states where our Alabama banks operate. We commend our employees for their individual commitments to continuing education and to maintaining our efficiency in the work that we do.

In closing, we appreciate your continued support of our department and look forward to working with you in your upcoming new term of continued leadership.

Respectfully,

John D. Harrison
Superintendent of Banks

GOVERNOR BOB RILEY

BUREAU OF BANKING

Established March 2, 1911, the Bureau of Banking charters and regulates banks, trust companies, and savings and loan associations. We currently have no state chartered savings and loans operating in Alabama. As of fiscal year-end September 30, 2006, the Banking Bureau had 127 commercial banks and 4 trust companies under supervision. During this same period, the Superintendent of Banks approved 3 new commercial bank charters.

State-chartered banks continue to dominate the Alabama commercial banking industry in number of banks, total assets and total deposits. Total assets and total deposits of state-chartered banks at fiscal year end amount to \$199,656,677 and \$146,972,849, respectively. Equity Capital for state-chartered banks totaled over \$20 billion with the ratio of Average Equity Capital to Total Assets remaining above 10%. Refer to our Consolidated Reports of Condition for more details.

Comparisons of the percentage of Total Assets and Total Deposits held by the four largest Alabama banks are shown below:

BUREAU OF LOANS

In 1945, the Alabama legislature established the Bureau of Loans under authority of Act No. 159, to administer and enforce the provisions of the Harris Act, the predecessor of the present **Alabama Small Loan Act of 1959** (§ 5-18-1 et seq. 1975 Code). Since that time, the Alabama legislature has expanded the consumer protection role of the Bureau through various additional acts.

In 1971, the Alabama legislature passed the **Alabama Consumer Credit Act** (§ 5-19-1 et seq. 1975 Code), commonly known as the Mini-Code, which designated the Superintendent of Banks as Administrator and the Supervisor of the Bureau of Loans as Deputy Administrator for enforcement purposes. The **Alabama Pawn Shop Act** was enacted into law on May 21, 1992, under the authority of Act No. 92-597 (§ 5-19A-1 et seq.). The **Mortgage Brokers Licensing Act** was enacted into Law on May 30, 2001, under the authority of Act No. 2001-692 (§ 5-25-1-et seq.) The **Deferred Presentment Services Act** was enacted into law on June 20, 2003, under the authority of Act No. 2003-359 (§ 5-18A-1 et seq.). All of these laws designate the Supervisor of the Bureau of Loans as the regulatory authority to administer and enforce the Acts.

The Bureau of Loans has the statutory authority to examine at any reasonable time the lending activity and other records of any small loan company, finance company, and/or other individuals or persons holding any license from the State Banking Department. Staff examiners normally review records and transactions to determine compliance with Alabama laws at the licensee's place of business. Each licensee pays to the State Banking Department the actual cost of each examination with the amount being reasonably prescribed under uniform and equitable rules and regulations promulgated by the Superintendent of Banks.
